MATRIX
CLIMBMILL

Discover an intense climbing experience that's secure for members and virtually maintenance-free for you.

Our Performance ClimbMill is ideal for heavy use and intense climbing workouts that push members to their limits. The ultra-durable, premium design includes a range of refined features for unmatched stair-climbing security, operation that's smooth and comfortable, and service and maintenance that's quicker and easier than ever.

Oil-free drive system, motorcycle-grade chain, anti-rust design and our exclusive Sweat Management System reduce maintenance and maximize durability.

Control Drive and our exclusive Control Zone sensor provide two reliable methods for instantly stopping rotation, exceeding industry standards for safety requirements, while extra-deep steps and positioning software make a great climb accessible to virtually everyone.

Easy-access side panel, modular components and internal service light streamline maintenance, while rear-locking, leveling casters offer easy placement.
